CHARLINE LANCEL - DIGITAL PAINTER

Visual Artist, born in 1976 in Belgium, Charline Lancel lives and works in Brussels. Ever since she was a child, she showed an eye for beauty of colors and the harmony of shapes. Her photographic work consists of *photo-manipulation*, called digital Op Art. Minimalist in expression, It is characterized by harmonious compositions of abstract, geometric (linear or spheric) lines and motifs. In 2007 Charline start to create a collection of Abstract Compositions, filled with light and colors and printed on ChromaLuxe©.
